George W. Vanderbilt will abandon his famous poultry yards at Baltimore, N. C., as he has lost heavily in maintaining them.

The corn crop in Hardin county, which had such bright prospects during the summer and early fall, has been cut short by heavy and frequent rains.

FOR SALE.—40 long yearling steers, weigh 750 to 900 pounds; 32 feeders and sloopers, weigh 800 to 1,250 pounds. See them at Adam Carpenter's. M. J. Hoffman, Moreland, Ky.

The preliminary returns to the Crop Estimating Board of the department of Agriculture, according to a bulletin issued, show the production of corn in 1906 to be 2,881,096,000 bushels.

COURT DAY.—There were probably 1,000 cattle here yesterday and a good many sold. Prices ranged from 2 1/2 to 3.60, the latter for choice two-year-olds. The horse and mule market was lively and the demand for them was good.

A fairly good crowd attended the sale of Mr. Silas Anderson and satisfactory prices were realized. His jack, Modoc, was bought by John B. Anderson for \$435, seven mares averaged \$100, suckling colts \$50 to \$60, steers \$21.25, heifer calves \$15.

Bud Dunn has purchased two colts from Dr. W. L. Hockaday for \$200 each. One is out of a Chester Dare mare by Rex Peavine, and the other sired by the same out of a King Richard mare. They will be trained and handled by Master Charles Dunn, who won 13 straight blue ribbons this season with Bettie D., whom he sold to C. L. Bailey, of Lexington, for \$600.—Richmond Register.

The apple crop in the United States has just been estimated at 36,120,000 barrels. This is 12,255,000 barrels more than the 1905 crop. The estimated crop in New York State is 4,900,000 barrels, or larger by 1,000,000 barrels than the production in any other State. The estimated New York crop equals the crops of Maryland, Virginia, West Virginia, Kentucky and Tennessee combined, and if equally distributed to the people of the States would give half a barrel to each man, woman and child.

Resolutions Of Respect.

CRAB ORCHARD, KY., Nov. 9, 1906.—Whereas our brother, T. M. Estes, has been removed by violent and unnatural means on Nov. 6, 1906, therefore be it resolved

1st. That in his death the lodge has lost an honored, useful and loyal member, his family a kind and indulgent husband and father.

2nd. That we deeply deplore his untimely death and extend to the bereaved family our sincere sympathy.

3rd. That these resolutions be spread on the minutes of this lodge, a copy sent to the family and published in the INTERIOR JOURNAL.

4th. That in respect for his memory the usual badge of mourning be worn for 30 days.

H. L. Wells, W. J. Edmiston, J. T. Roberts, committee.

Famous Strike Breakers.

The most famous strike breakers in the land are Dr. King's New Life Pills. When liver and bowels go on strike, they quickly settle the trouble, and the purifying work goes right on. Best cure for constipation, headache and dizziness. 25c at Penny's Drug Store, Stanford, Lyne Bros., Crab Orchard.

Hines For Campaign Chairman.

To the shrewd political sagacity of Judge Henry S. Hines, Judge Hager and Governor Beckham owe more for their success in the recent primary than to any other one source. It is known by all parties that Judge Hines was the chief adviser of these gentlemen, and now that the smoke has cleared away, the true Democracy of Kentucky should take off its hat to this stalwart partisan and true Southern gentleman. Had Mr. Hines not withdrawn from the Auditor's race, there would have been no doubt of his election. But in the interest of party harmony, and a desire to sweep away every obstacle that might interfere with his choice in the race for Governor and United States Senator, he gracefully stepped aside and put his own personal ambition behind him. It takes a strong man and a loyal friend to do a thing of this kind. Party nominees on the Democratic State ticket, are already suggesting his name as the proper one for chairman of the Campaign Committee that will lead the fight for Kentucky's Democracy next year. If he can be induced to accept this position of trust and honor, it is believed that he will have no opposition. He should be selected by all means, and by acclamation.—Fulton Daily Leader.

Made Happy for Life.

Great happiness came into the home of S. C. Blair, school superintendent, at St. Albans, W. Va., when his little daughter was restored from the dreadful complaint he names. He says: "My little daughter had St. Vitus' Dance, which yielded to no treatment but grew steadily worse until as a last resort we tried Electric Bitters; and I rejoice to say, three bottles effected a complete cure." Quick, sure cure for nervous complaints, general debility, female weaknesses, impoverished blood and malaria. Guaranteed by Penny's Drug Store, Stanford, Lyne Bros., Crab Orchard. Price 50c.

The fact that liquor is not sold in 82 counties of Kentucky is another illustration of the old boast that Kentuckians make more and drink less whisky than the people of any other State.—Atlanta Journal.

Sells More of Chamberlain's Cough Remedy than of All Others Put Together.

Mr. Thos. George, a merchant at Mt. Elgin, Ontario, says: "I have had the local agency for Chamberlain's Cough Remedy ever since it was introduced into Canada, and I sell as much of it as I do of all other lines. I have on my shelves put together. Of the many dozens sold under guarantee I have not had one bottle returned. I can personally recommend this medicine as I have used it myself and given it to my children and always with the best results." For sale by Stanford Drug Co.

Secretary Shaw authorized the statement that he will not buy bonds, refund or increase deposits in national banks unless present conditions materially change.

Croup.

A reliable medicine and one that should always be kept in the home for immediate use is Chamberlain's Cough Remedy. It will prevent the attack if given as soon as the child becomes hoarse, or even after the croupy cough appears. For sale by Stanford Drug Co.
